

Refund policy - You have 30 days after receiving your item to request a return.

### **Return/Exchanges**

We definitely don't think you'll want to return or exchange these legendary products but if you do, to be eligible for a return your item must be unwashed, unworn and in its original condition with the size tag attached. You'll also need your order number which you can find in your confirmation email. We cannot refund shipping if your order has already shipped.

If you have any questions or concerns about your product you can contact us at [info@legendaryalphas.com](mailto:info@legendaryalphas.com).

### **Damages and Issues**

Once you receive your Legendary products please make sure to check your packaging for any missing or damaged items. If you happen to find any issues please make sure to reach out to us via email so we can get the issue resolved for you right away!

### **Exceptions / Non-returnable items**

We cannot accept returns on gift cards or items that are discounted.

### **Refunds**

Once we receive your return and are able to go through and inspect it we will notify you to let you know if the refund was approved or not. When you're approved, you'll be automatically refunded on your original payment method. There are no refunds on coaching services.

Refunds typically take 3-5 business days to be posted!
